

The 10th annual Big Gheenoe Rally was a great success. We would like to give a big "THANK YOU!" to all our sponsors whose donations contributed to the success. Also, thank you to the following individuals: Capt. Sandpaper, Chef Stefan, Randy Siford, West Coast Dave, and the Guas and Trotter families. This year, through the generous contributions of our sponsors and members attending the rally, we were able to raise approximately \$1700. The money raised will be used to provide Christmas gifts to a local charity for children in Titusville, Florida. Again, thank you to everyone that helped. We couldn't have done it without you!
